

TEMPERATURE-TABLE for PTCR

Higher quality products and lower costs through improved, reliable firing control

| | | | | | |
|------------------------|--|-------------|--|---------------------------------|--|
| Type PTCR - UTH | | | | Ring Colour : Yellow | |
| Vibrantz no. : | | 1400824 | | Dimensions : ± 20 x 10 x 7,0 mm | |
| Temperature Range °C : | | 660 - 900°C | | | |

| Ring diameter mm | Ring temperature °C | Ring diameter mm | Ring temperature °C | Ring diameter mm | Ring temperature °C | Ring diameter mm | Ring temperature °C | Ring diameter mm | Ring temperature °C | Ring diameter mm | Ring temperature °C |
